SUPPLEMENTARY INFORMATION: The SMAC was established August 14, 2001, pursuant to the Steens Mountain Cooperative Management and Protection Act of 2000 (Steens Act) (Public Law 106-399) to provide representative counsel and advice to the BLM regarding new and unique approaches to management of the land within the bounds of the Steens Mountain Cooperative Management and Protection Area (CMPA). The SMAC's Public Lands Access Subcommittee was established in 2015 and serves to research, discuss, and evaluate any public access issue in the Steens Mountain CMPA. Issues could relate to parking, hiking, motorized or non-motorized use, public to private land inholding routes and methods of travel, private to public land access by way of easement or other agreement, or purchase or exchange of public and private land for improved access and contiguous landscape. The Subcommittee reviews all aspects of any access issue, formulates suggestions for remedy, and proposes those solutions to the entire SMAC for further discussion and possible recommendation to the BLM.

The July 8 agenda includes a field tour around the Steens Mountain Loop Road. The Subcommittee will visit and study several sites along the Road as time allows, including Fish Creek, the North Steens Equestrian Campground site, Riddle Brothers Ranch, and South Steens Campground. The July 9 agenda includes a review of the Steens Mountain Cooperative Management and Protection Act of 2000; a discussion on the Nature's Advocate, LLC, Environmental Assessment; an opportunity for Subcommittee members to share information from their constituents and present research members have done between meetings; and, an update from the SMAC's Designated Federal Official.

Any other matters that may reasonably come before the Subcommittee may also be included. For the field tour, travel will occur on a variety of road surfaces. High-clearance vehicles with quality tires are recommended. There may be some light hiking. The public must provide personal amenities and transportation, though car-pooling is encouraged.

A public comment period is available on Tuesday, July 9, at 12 p.m. Unless otherwise approved by the Subcommittee Chair, the public comment period will last no longer than 30 minutes, and each speaker may address the Subcommittee for a maximum of 5 minutes. Sessions may end early if all business items are accomplished ahead of schedule, or may be extended if discussions warrant more time.

Before including your address, phone number, email address, or other personal identifying information in your comments, please be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
